Event Details

What: One Homeless Night is our annual fundraiser where kids, adults, families, and teams all gather to spend a night sleeping out rough, to bring awareness to the issues of youth homelessness and express a gesture of solidarity to the youth in our community who have no place to stay. We're sleeping out so homeless kids don't have to.

It is a night of fun and food along with a note of seriousness. Participants raise money for The Door (Fairbanks Youth Advocates' youth shelter) by encouraging friends and family to sponsor them for the event. All proceeds go to help with costs associated with offering the teens in our community a safe place to stay.

Frequently Asked Questions

Q Will I be safe?

A YES! You will be safe! Safety is always our top priority. Many people participate and everyone sleeps within close proximity to one another. As the old adage goes there is safety in numbers. In addition, we have designated security professionals awake at all times all night long.

Q Am I required to raise money? Can't I just come?

A One Homeless Night is our annual fundraiser. Though we welcome all to join in the fun, in the end - this event is about raising funds so that homeless teens don't **have** to sleep out. We have set minimum goals but no one is required to raise money. However, you might be surprised how many of your family, friends, and your colleagues will support you. NOTE: see "**How to donate to Friends Church's Youth Group campaign**" on the previous page for directions on how folks can donate to our campaign.

Q How old do I need to be?

A If you are an individual, you need to be 18 and older to sleep out alone. Groups (like a church groups or families) can sleep out together, as long as they are with a chaperone. NOTE: Friends currently has at least one male youth leader and one female youth leader scheduled to attend.

Q What should I bring?

A No one can predict what the weather will be on the event day, but we recommend you bring a sleeping bag, toiletries, layers of clothing, personal medication, and a camera or smart phone. Note: Joe Bob will bring the tape and cardboard necessary to make our shelter.

Feel free to be creative in your build ideas - plan ahead!

Q What if I can't stay the night?

A We understand. No worries. Sometimes work schedules or other commitments prohibit a participant from staying the entire night. Stay as long as you can. Join in the fun as long as possible.

Breakfast is offered in the morning around 8:00.
